

## List of Supplies

**Class: Metal Casting with Recyclable Molds**

**Instructor: Wayne Potratz**

**Please bring to class the following items:**

- Ideas of what you'd like to create.
  - Students will have time to create at least one and possibly up to three small pieces out of wax, approximately 6 – 10 inches in height.
- Old knife or other wax working tools
- Small plastic containers with covers for mold material mixing
- Safety glasses
- Leather gloves
- Cotton clothing
- Bandana or cap
- Leather shoes

**Your instructor will provide the following items:**

- Clay mold material
- Rice paper
- Straw
- Manure
- Charcoal
- Shellac
- Isopropyl alcohol
- Bronze

Your supply fee also provides students with studio access to Last Chance.

On Day 1 check in at the Art Colony. Class will meet here in the morning for an introductory presentation before proceeding to Last Chance:

Last Chance Fabricating
