

Class: Virtual: Exploring Image Transfer

Instructor: Shannon Brunette

Suggested Supplies:

- Gel medium (Golden is preferred but all work)
- Inexpensive glue brush for the gel medium
- A brayer (can simply be an old credit card or putty-knife)
- Spray bottle for water
- Rag
- Old magazines or copies of cool imagery to transfer (nothing original that you want to keep)
- Wood panel, thicker paper or other surfaces to transfer images on to
